kulijewiczmicchal@gmail.com

Skills

- Writing
- Songwriting
- Twine - making branching narrative RPG games
- English - C2
- Polish - Native
- Teamwork and cooperation - not a stranger to international teams
- Organization of work and time management
- Self-motivation and autonomy

Experience

04.2024 - present - Newzoo - Games Taxonomy & Product Operations Analyst

- Game analysis, taking care of Newzoo's internal database, writing articles, product management, financial analysis, research and consulting, preparing presentations, and public presentation of said presentations, market forecasting.
- And above all, working with an amazing team of industry professionals!

04.2022 - 04.2023 - IBM - Treasury Analyst for Google

- Administration, analysing banking portals, conducting training for users and administrators, process automation.

01.1998 - present - unhealthy amount of part time (some would say odd) jobs and hustles where I gather inspirations and stories.

Education

2017 - 2020 - University of Economics in Kraków

- Modern Business Management – bachelor degree

Interests

- Songwriting and singing
- Writing books and scripts
- Game design
- Martial arts and winter sports
- Gaming - especially RPG's!

Above all, I love to learn and acquire new skills - it is my biggest motivation and my main hobby.
